About the brand  
“CHARZE”

---

Have you ever wondered if the path to your desired destination is too arduous at night or in low light? Most of us might have had experience with filament bulbs at busy street lights decades back and with today's Led revolution too. In this era of advanced Led Lights, the brand "Charze" has successfully achieved significant milestones with its wide range of BIS certified energy-saving environment-friendly elegant premium LEDs and excellent service support at a very competitive price range.

The journey of the brand "Charze" began in early 2010 with a clear vision of efficiently illuminating India with its founder Mr. S. Singhania (Director). The spontaneous development and overall operations of the brand "Charze" has been precisely driven by Mr. Singhania's empowering enthusiasm enriched with over 30+ years of experience in relevant fields.

The brand "Charze" is well appreciated and even endorsed for its wide range of product and sub-variants of domestic as well as commercial Led lights from time to time. In today's market we are engaged in distributing and installing different variants of the Flood light eco series & lens series, Street light, High-bay light, Tube light, Inverter bulb, Led bulb, Led panel square & round, Led eco panel square & round, Surface Led square & round, PVC spotlight, Junction light, Concealed light, COB square & round, Track light, Bulkhead, Makhi lights, Stricker, Ringo panel, Glory PVC surface round, K lite & Deep junction PVC light.

## Nationwide strength

WE have a vast dealer distributor network of 40+ active members considered the "Charze" family. All through the "Charze" family is large enough with all our valued customers, who are proudly using 38000+ units and the additional counting continues.

## What brought us wide acceptance

We deliver the best quality LED Chip to get high Lumen Output of up to 110 lumens per watt. As the quality was tested and verified by our highly skilled professional, we assure you that the LED life might exceed 20,000 Hrs. We always deliver our products with integrated short-circuit protection. For ultimate safety surge protection comes with a selective "Charze" Led range. Our research & development team is engaged in a continuous product development process to deliver cutting-edge technology. And we are well equipped to provide the best service support to our customers with a dedicated expert team through our best service & tech - support system. In a nutshell, our valued customers from all over the nation made us escalate the brand "Charze" to a pick of brand prominence & trustworthiness.

## Charze's USP

**Exclusive  
warranty policy**

**Hard  
quality control**

**Budget-  
friendly**

**Environment  
friendly**

**Effective  
service support**

## From the Director's Desk

---

I welcome you on behalf of the brand "Charze" family and thank you all for showing interest in us.

For years people have been enlightened with the brand "Charze" and entered its family and transformed their premises into bright, elegant, and enhanced visibility. By installing Charze LED you will experience the pleasure of having a top-notch quality product that reflects your taste socially and personally. Establishing excellence and creating value for our products are our inspiring principles that truly adapted to the operating process of the organization.

We believe in taking an active part in initiating a better and brighter India for tomorrow. I appreciate like-minded citizens and also heartily welcome to the "Charze" family. You are privileged with our multifarious partnering program like dealership, distributorship & franchisee. We would expect that you venture beyond your boundaries and take maximum advantage of these facilities, participate fully and evolve into the brand "Charze".

**Stay Healthy, and stay connected!**
